The probable appointment of Mr. Lloyd C. Griscom, now minister to Persia, to succeed Mr. Buck, minister to Japan, who has resigned, is regarded with satisfaction by the friends of the administration as it is believed the appointment will serve to cement the friendship between Senator Hanna and the president. Senator Hanna originally recommended Mr. Griscom for the Persian post and has been anxious to secure for him a merited promotion which the Japanese assignment will be. Mr. Roosevelt first appointed Mr. John Barret, now minister to Siam, to the post at Tokyo but, learning that certain public utterances of Mr. Barret had offended the Japanese court, instructed Secretary Hay to advise the former that it might be well for him to decline the appointment. THEDFORD'S BLACKDRAUGHT THE GREAT FAMILY MEDICINE

Thedford's Black-Draught has saved doctors' bills for more than sixty years. For the common family ailments, such as constipation, indigestion, hard colds, bowel complaints, chills and fever, biliousness, headaches and other like complaints no other medicine is necessary. It invigorates and regulates the liver, assists digestion, stimulates action of the kidneys, purifies the blood, and purges the bowels of foul accumulations. It cures liver complaint, indigestion, sour stomach, dizziness, chills, rheumatic pains, sideache, backache, kidney troubles, constipation, diarrhosa, biliousness, piles, hard colds and headache. Every druggist has Thedford's Black-Draught in 25 cent packages and in mammoth size for \$1.00. Never accept a substitute. Insist on having the original made by the Chattanooga Medicine Company.

I believe Thedford's Black-Draught is the best medicine on earth. It is good for any and everything. I have a family of twelve children, and for four years I have kept them on foot and healthy with no doctor but Black-
